ANNOUNCEMENT

THE NEW YORK CARVED MOULDING CO. in handing you our new Catalogue, takes pride in claiming this Catalogue as being the most complete and up-to-date book of its kind issued.

We further justly lay claim to being the oldest manufacturers of Machine Embossed Moulding in America, and therefore believe from the experience we have gained in the past years of our manufacturing that we are competent to judge intelligently the wants of all consumers of Decorated Mouldings, including Piano Manufacturers, Music and Fancy Box Manufacturers, Cabinet Makers, and in fact all Wood workers.

In reference to the quality of our goods we will say that we are excelled by none and equaled by few. Our work is our reputation. And by careful comparison you will find that our prices are as low as the lowest. Your correspondence is solicited. Quotations on special designs cheerfully made.

Thanking you for past patronage, we solicit a continuance of the same.

Yours very truly,

New York Carved Moulding Co.
